It is said that when  
Gehenna comes, the  
ritual of the Wild Hunt  
runs through the veins of  
the elders and Zemyaza.  
Zemyaza will diablerize all  
vampires and the elders  
will arise from Tor Por  
to drain their childer.

Signs of Gehenna:

=====

-The First Day-  
"Quiet! Hear the raven's  
cry! The stillness of the  
wind rising hot on the  
street, the towers hide  
the darkness of the day.  
When Lasombra's dreams  
come true, on the day  
when the moon runs as  
blood and the sun rises  
black in the sky,  
that is the day of the  
Damned, when Zemyaza's  
children will rise again.  
And the world will turn  
cold, and unclean things  
will boil up from the  
ground and great storms  
will roll, lightning will light  
fires, animals will fester  
and their bodies, twisted,  
will fall. So, too, our  
Grandsires will rise from  
the ground, They will  
break their fast  
on the first part of us.  
They will consume us  
whole."

-The Second Day-

"On the second day,  
Zemyaza will return,  
And call his Children to  
the meeting place,  
on the site of the  
discovery of the Ebon  
Skull, Deceit Dungeon.  
He will beckon them,  
sitting on his basalt  
throne. And Zemyaza will  
call aloud the names of  
all those to be destroyed,  
for their crimes are too  
great and all those who  
have consumed the blood  
of their sire will be  
brought before the Black  
Throne and made to drink  
of Zemyaza's blood.  
And Zemyaza's blood will  
eat their blood.  
And then Zemyaza will  
call aloud the names  
of all those who upheld  
the commandments put  
forth by himself and  
deem them his loyal  
servants. And he will  
grant them thrones  
around his. And the Dark  
Mother, Lilith, herself will  
be brought forth. And  
there, in the darkness,  
will there be a battle a  
duel of Dark Father and  
Dark Mother. The Demon  
Queen will bite deep. The  
Damned King will bite  
deeper. We will not know  
the thing which will  
happen, but the sky will  
tear apart, and the earth  
below. And the dead will  
pour up out of the grave  
beneath ground."

-The Third and Final Day-

"On the Third Day, there  
will be silence, the crows  
will feed on the carrion,  
plague will dance amongst  
the ruins, the last of  
the Wild Ones will leave  
this place. The last of  
the Moon-Beasts will  
fight and fall. And

the Antediluvians will  
make for themselves and  
Empire of Blood. They will  
rule with iron talons.  
They will wrench the  
hearts of all still alive.  
And the full sum of what  
remains of Sosaria's  
living will come and live in  
the Last City, called  
Gehenna, thriving where  
the ruins of Caina are.  
And there will be a  
reign of one thousand  
years, and there will be  
no love, or life, or pity,  
the mighty will be as  
slaves, the virtuous will be  
made foul. Every good  
gift, and every perfect  
gift will be tainted by  
the Father of Darkness,  
whose power will come  
from the nether relms.  
When the snows  
consume the earth and  
the sun gutters like a  
candle in the wind then,  
and only then, Gehenna  
will have been  
consummated."
